

# Got To Love Somebody

## Sister Sledge

I've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonTired of movies all by myself  
I'm sure, you folks know what I mean  
My time has come and I need someone  
To share my popcorn and jellybeansLooked in the mirror, it all got clearer  
I won't let my life pass me by  
Stop feelin' sorry for myself  
Fish are biting, I'll throw out my lineI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonMust be careful and watch my step  
I hope the shock is very mild  
I'll change my hair and change my style  
Watch out, I might just go wildI got to get out and leave  
And show the world how much I can give  
I'm gonna do it all by myself  
I'll make a love you can't put on a shelfI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today  
I've got to love somebody soonI've got to love somebody today  
I've got to love somebody  
I've got to love somebody today
