

Watch Your Step

[Santana](#)

You better take it easy baby
Before you go away
You did me dirty
You'll get yours one day You better watch your step
Talkin' about you, watch your step
You better watch your step Keep your eyes open wide
'Cause you'll be hurtin' down inside
You better leave me all your money
Before you go away, don't think I'm funny honey
All I've got to say You better watch your step
Talkin' about you, watch your step
You better watch your step 'Cause when you took your love from me
You left me full of misery
I'm gonna be all right You better watch your step
Talkin' about you, watch your step
You better watch your step When you need me by your side
I'm gonna say go somewhere and hide
Watch your step, you better watch out baby Everything you do
I'm gonna keep my eyes
Focused right on you
You better walk right baby There's just one thing I know
You better watch your step
When you need me by your side
I'm gonna say go somewhere and hide
