

# Lose Myself

Jeff Deyo

Here I am longing,  
I can't stop this longing  
For more of You in me.  
Lost in this moment,  
This beautiful moment  
This prayer I sing to You.  
I'm crying out to You  
To change the way I think,  
To steal away my pride  
And make me new. Saturate my life,  
Fill every part of me with You  
Drown me in Your love,  
Let me lose myself in You. Here I am longing,  
I can't stop this longing  
For more of You in me.  
Lost in this moment,  
This beautiful moment  
This prayer I sing to You.  
I gladly come to You,  
I want no place to hide  
I'm pouring out my heart  
To give You room. Saturate my life,  
Fill every part of me with You  
Drown me in Your love,  
Let me lose myself in You.
