The Call

Phil Mison

Hello
Hi it's me what's up baby?
I'm sorry, listen I'm gonna be late tonight
So don't stay up and wait for me okay?
Where are you?
Wait, wait say that again?
Hello
You're coming in and out
I think my battery must be low
Listen if you can hear me
We're goin to a place nearby, alright? Gotta go
Let me tell you the story about the call that changed my destiny
Now me and my boys went out just to end up in mysery
I was about to go home and there she was standing in front of me
Instead I, I got a little place nearby, I wanna go
I should have said no
Someone's waiting for me
But I'm gonna go up and see
Listen baby I'm sorry, just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're droping out my battery
It's low so you know we're goin to a place nearby, gotta go
Now till it's done nothing's been won
I can't take it back what's done is done
And one of her friends found out that she wasn't the only one

And it eats me from inside that she's not by my side
Just because I made that call and lied
Listen baby I'm sorry, just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're droping out my battery
It's low so you know we're goin to a place nearby, gotta go
Listen baby baby I'm sorry
Hello
Listen baby baby I'm sorry
Hello
Gotta go
Let me tell you the story about the call that changed my destiny
Me and my boys went out, just to end up in mysery

I was about to go home and there she was standing in front of me
Instead I, I got a little place nearby, can we go
Listen baby I'm sorry, just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're droping out my battery
It's low so you know we're goin to a place nearby, gotta go
Listen baby I'm sorry, just wanna tell you don't worry
I will be late don't stay up and wait for me
I'll say again you're droping out my battery
It's low so you know we're goin to a place nearby
We're goin to a place nearby, gotta go
