

# 76 Ball

## Urge Overkill

On a night like this I found Miss Celine  
On a freeway to bliss it's a guarantee  
Take a ride like this I've got what you need  
Guaranteed There's a chill in the spine now  
76 ball

It's all turning 'round  
I hope I'm coming down Take a ride like this I've got what you need  
On a freeway to bliss it's a guarantee  
On a night like this I found Miss Celine  
Guaranteed On a freeway to bliss I've got what you need  
Take a ride like this, it's a guarantee  
On a night like this I found Miss Celine  
Guaranteed
