

# Mirror (feat. Bruno Mars)

Lil Wayne

With everything happening today  
You don't know whether you're coming or going  
But you think that you're on your way  
Life lined up on the mirror don't blow it  
Look at me when I'm talkin' to you  
You looking at me but I'm lookin' through you  
I see the blood in your eyes  
I see the love in disguise  
I see the pain hidden in your pride  
I see you're not satisfied  
And I don't see nobody else  
I see myself I'm looking at the  
Mirror on the wall, here we are again  
Through my rise and fall  
You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again  
Uh, I see the truth in your lies  
I see nobody by your side  
But I'm with you when you're all alone  
And you correct me when I'm lookin' wrong  
I see that guilt beneath the shame  
I see your soul through your window pain  
I see the scars that remain  
I see you Wayne, I'm lookin' at the  
Mirror on the wall, here we are again  
Through my rise and fall  
You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again  
Lookin' at me now I can see my past  
Damn I look just like my fuckin' dad  
Light it up, that's smoke at mirrors  
I even look good in the broken mirror  
I see my momma smile that's a blessin'  
I see the change, I see the message  
And no message could be any clearer  
So I'm starting with the man in the  
Mirror on the wall, (MJ taught me that)  
Here we are again  
Through my rise and fall  
You've been my only friend (take them to mars man)  
You told me that they can understand the man I am  
So why are we here talkin' to each other again  
Uh  
Mirror on the wall, here we are again

Through my rise and fall  
You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again  
Mirror on the wall  
Hey BP, looks like I did take 'em to mars this time  
So why are we talkin' to each other again
