

Need Your Love so Bad (Duet with Chuck Brown)

[Eva Cassidy](#)

I need someone's hand to lead me through the night
I need someone's arms to hold and squeeze me tight
And when the night begins and until it ends
Oh baby I need your love so bad I need someone's lips to feel next to mine
I need someone to stand up and tell me when I'm lyin'
And when the lights are low and till it's time to go
Oh I need your love so bad So go on and give it up baby and bring it on home to me
Write it on a piece of paper so that it can be read to me
Tell me that you love me stop driving me mad
Oh 'cause I need I need your love so bad I need a soft voice to talk to me at night
Don't you worry baby we won't fuss and fight
So listen to my plea and bring it on home to me
Oh I need your love so bad So go on and give it up bring it all home to me
Or write it on a piece of paper so it can be read to me
So tell me that you love me please stop driving me mad
'Cause I need I need your love so bad Mmmm I need a soft voice to talk to me at night
Well don't you worry baby we won't fuss and fight
So listen to my plea and bring it on home to me
Oh because I need your love so bad Oh I need oh I need your love so bad
Oh yeah
