Cheating on You

Charlie Puth

It started with a kiss on your mama's couch
2012 was nothing serious
Iâ€ knowâ€ we caught theâ€ feels, it got really realToo goodâ€ to be true, I guess I thought you was, yeahWhy did I run away, run away, run away?
Oh, your love was everything, everything, everything
I know it's gettin' late, gettin' late, gettin' late
But can I still be on my way, on my way? YeahI know I said goodbye and baby, you said it too
But when I touch her I feel like I'm cheating on you
I thought that I'd be better when I found someone new
But when I touch her I feel like I'm cheating on you
Baby now, oh-oh-oh
Oh, oh, oh, oh
Cheating on you
Baby now, oh-oh-oh
But when I touch her I feel like I'm cheating on youThought I could get you back any time of day
Shouldn't have been so cocky
Shouldn't have did you wrong (woah, oh)
And now I miss you bad, really, really bad
Guess you don't know what you got until it's goneWhy did I run away, run away, run away? (Run away)
Oh, your love was everything, everything, everything (everything)
I know it's getting late, getting late, getting late (getting late)
But can I still be on my way, on my way? YeahI know I said goodbye and baby, you said it too (you said it too, baby)
But when I touch her I feel like I'm cheating on you (I'm cheating on you)
I thought that I'd be better when I found someone new (ooh)
But when I touch her I feel like I'm cheating on you
Baby now, oh-oh-oh
Oh, oh, oh, oh
Cheating on you
Baby now, oh-oh-oh
But when I touch her I feel like I'm cheating on youBaby, no
There ain't no lips like your lips
And nobody else feels like this
There's no moving on, I'll admit
If you go away
Yeah, ahI know I said goodbye and baby, you said it too
But when I touch her I feel like I'm cheating on you (I'm cheating on you)
I thought that I'd be better when I found someone new (found someone new)
But when I touch her I feel like I'm cheating on you (believe it, baby)Baby now, oh-oh-oh

Oh, oh, oh, oh
Cheating on you
Baby now, oh-oh-oh
But when I touch her I feel like I'm cheating on youYou said goodbye
And you said goodbye
