

Lord Chanka (feat. Russkhof)

Knox Hill

Rainbow Six Siege Lord Chanka Music Video feat. Knox Hill
by Russkhof

-LYRICS-

I'm good, I'm great Lord chanka!(yea yea yeah)
So welcome back! I'm phonin operator
I been on the line...waitin
Pacin patiently playin
Haters don't you underrate him
Never place him with the greatest
They don't play him so they fade him, Hmmm

Bidin my time for the lawyer fee
You better bow down to the royalty
I'm bout to get buffed that's loyalty
That's Lord to you, Got a toy or two
Machine gun mount that'll knock you out
Go bla bla blaoh when you come around
You behind that wall still take you out

I could place a round right through ya chest
One hit ya head two through ya vest
Yes 5v4, Goes 3 to 2
I'm through that hole just peekin through
It's 'hide and seek' from me to you
i leave you with 'see through' bruise
Take out ya camera who sees who?

You ain't got me in ya range
You think you gonna win this game
You can try to hide and play
But i'm gonna find you anyway (haha)
Get rekt get decked
Bow to the 'Lord' when i pull the upset
A lot of y'all mad (why?) cuz you got trolled

Blame it on controls - sayin that i'm slow
Man I'm 'quick' like 'Jack the Ripper' with the 'spitter' rippin through ya
I'm shooter bout to 'snooze ya' ooo

Yea yea yea yea yahhhh
I'm good (I'm good), I'm great (I'm great)
Salute me when you see me in this place (in this place)
The King Lord Chanka, Let 'em hate, Yeah!

Why they never gonnna play with him
They always wanna throw shade on him
Let's Make Lord Chanka Great Again!

Verse 2... Uncle Sam
Must be shakin in his boots
I rep a different 'red white and blue'
From Mother Russia comin through

This Red Army, Spetsnaz monster leave a warning
'hear me as I'm creep in view
I walk with heavy shoes
When you see me better move
Get 'buffed' betta yield
LMG with deployable shield
Find the right place then I'm holdin' down the field

Come into my area I'm gonna have to bury ya
They gonna have to carry ya
Break into hysteria, Ain't nobody hearin ya
'Cold War' track, 'Communist attack' - Shoot you in the back
(They are runnin) Like 'ratta-tat-tat...tat tat'
Comrade, It's time to get serious
I'm the best period, Honestly I think developers

They shoulda nerved me, These players really don't deserve me
And my visage, Improving me ain't hard
But...how can you buff a GOD!
Yea, Yea yea yea yea yahhhh
I'm good (I'm good), I'm great (I'm great)
Salute me when you see me in this place (in this place)
The King Lord Chanka, Let 'em hate, Yeah!

Why they never gonnna play with him
They always wanna throw shade on him
Let's Make Lord Chanka Great Again!

Bow down..., ...to the Lord
