

Count On You (feat. Jordin Sparks)

Big Time Rush

I am about to give my heart
So remember this one thing
I have never been in love
Before so you gotta go easy on me
I heard love is dangerous
But you thought you never get enough
But the thought of you
Leaving isn't easy for me
Don't hurt me, desert me
Make me sorry
I had never counted on you

Refrain:

1234 to fall
Baby I'm counting on you
1234 to fall
Baby I'm counting on you

I've been here before
I am about to give my heart so remember this one thing
I have never been in love before so you gotta go easy on me
I heard love is dangerous but you thought you'd never get enough
but the thought of you leaving isn't easy for me
Don't hurt me, desert me, make me sorry I had never counted on you
1,2,3,4 to fall, baby I'm counting on you
1234 to fall, baby I'm counting on you
I've been here before, I finally found someone I could adore
but you failed my test but I have repairs no one better so I wasn't the only 1
but I am willing to put my trust in you

baby you can put your trust in me just let me count to 3
you got me and you're never gonna see
ooh love is in my pocket
and you think I'm doing this girl
I've got you because you are the one
I am giving my heart to
but I gotta be the only one 1234 fall (yeah)
I'm counting in you (oh) 1234 to fall (why would I want to do that)

1234 to fall baby i am counting on you
1234 to fall
i am about to give my heart but remember this one thing
i have never been in love before so u gotta make this easy on me
but you failed my test
but i have repairs
no one better so
i wasn't the only 1
but i am willing to put my trust in you
baby you can put your trust in me
just let me count to 3
you got me and you're never gonna see
ooh love is in my pocket
and you think i'm doing this girl
i've got you
because you are the one
i am giving my heart to
but i gotta be the only one

Refrain:

1234 fall (yeah)
i'm counting in you (oh)
1234 to fall (why would i want to do that)
1234 to fall
baby i am counting on you
1234 to fall

i am about to give my heart
but remember this one thing
i have never been in love
