

Boiling Water (ft. Sam Frank)

Magnetic Man

Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be[Chorus]
I wake up, and then I find myself in boiling water
Not a day goes by, I don't cry a tear in memory
I wake up, and then I find myself in boiling water
Not a day goes by, I don't dream of how this life could beAy, they glow, no need for keys
The proof of going down with me
Eye for an eye, tooth for a tooth
That's how I be (Ay, ay)
Commotion in commodity,
Take the girl out with ease
Conduct with a gun,
Believe I'm the one
?[Chorus]Living like the silver screen
Painting the ends in green
Supply and demand, I don't bite the hand
I live completely
Keep my enemy near
So I know the last thing he hear
I value his life, but less than the knife
I sleep without fear[Chorus: x2]Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be
Not a day goes by, I don't dream of how this life could be
