You Better Run

Rascals

What you tryin' do to my heart?
What you tryin' do to my heart?
You go around tellin' lies
You foolin' round with the other guy's
What you tryin' do to my heart?You better run
You better hide
You better leave from my sideWhat you tryin' do to my soul?
What you tryin' do to my soul?
Everythin' I had was yours
And no I'm closing all the doors
What you tryin' do to my soul?You better run
You better hide
You better leave from my sideI love you girl, I love you so
Can't you see it, don't you know
I can't stand you alibi
You're tellin' lies, and tell me whyWhat you tryin' do to my head?
What you tryin' do to my head?
Now I go my jaw out of line
You're not gonna take my mind?
What you tryin' do to my head?You better run
You better hide
You better leave from my side
