

If I'm James Dean, You're Audrey Hepburn

Sleeping With Sirens

Stay for tonight
If you want to
I can show you
What my dreams are made of,
as I'm dreaming of your face
I've been away for a long time
Such a long time
And I miss you there
I can't imagine being anywhere else
I can't imagine being anywhere else but here
How the hell did you ever pick me?
Honestly, I could sing you a song
But I don't think words can express your beauty
It's singing to me
How the hell did we end up like this?
You bring out the beast in me
I fell in love from the moment we kissed
Since then we've been history
They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me
(If you want to i can show you) It goes to show, I hope that you know that you are
What my dreams are made of and I
Can't fall asleep
I lay in my bed awake at night
And I'll fall in love, you'll fall in love
It could mean everything, everything to me
Ooh ooh
This could mean everything to me
They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever
The way that we are
It's the reason I stay
As long as you're here with me
I know i'll be Ok
(LA DA DA DAH LADA DAH) They say that love is forever

Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me(I couldn't love just anyone, I was created to love just one baby)
They say that love is forever
Your forever is all that I need
(I couldn't love just anyone, I was created to love just one girl)
Please stay as long as you need(I couldn't love just anyone, I was created to love just one baby)
Can't promise that things won't be broken
But I swear that I will never leave
(I couldn't love just anyone, I was created to love just one girl)
Please stay forever with me
