Deliver

Fifth Harmony

He know I keep it ready on the regular
So I don't have to get ready, ain't no setting up
When I give it, I make sure I give more than enough, yeah
He knows, he knows this, he know, he knows this
No needs for replacements or a warranty
And he'll never need another, that's a guarantee
I can overnight this body if it's what you need, yeah
He know, he knows this, he know, he knows thisI never hit or miss, he know I always come through
Show up looking like my photo, keep it foolproof
When you call me, know you know just what I'm gon' do, gon' do
(what I'm gon' do)
Yeah, my baby knows that I deliver
That's exactly what I'm gon' do, do
Yeah, my baby knows that I deliver
Know what's coming when I come through, through
