From Me To You

Ane Brun

If there's anything that you want
if there is anything I can do
just call on me and I'll send it along
with love from me to youI've got everything that you want
like a heart that is oh so true
just call on me and I'll send it along with love from me to youI've got arms that long to hold you and keep you by my side
I got lips that long to kiss you and keep you satisfiedIf there's anything that you want
if there's anything I can do
Just call on me I'll send it along
wit love from me to youfrom me to you
from me to youjust call on me and I'll send it along with love from me to you
with love from me to you
