Don't Be Scared

The Fiftyniners

Don't you be scared.....(Boss)
Don't you be scared
Don't you be, don't you be, don't you be scared
Body like she jumped up off the page (page,page)
EyeCandy of da year,
Plus she got a beautiful face(face, face)
Let's go somewhere and disappear
Say she like to smoke (uuhuuhh), I do too
Say she like to drink (uuhuuhh), I do too
So what you think have a lil conversation
What's on your mind tell me what u be thinkin'
Imma keep it real a lotta women in my phone
But Imma be for real you're the only one i want
I ain't tellin' lies like Im tryna settle down
You prolly heard i get around
Chorus

Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em
Don't you be scared, don't matter what's your homegirl opinion
You grown make your own damn decisions
girl don't you be(don't you be, don't you be, don't you be)
girl don't you be(don't you be, don't you be, don't you be)
Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em, Don't be scared,
I ain't gon' bite ya, unless its somethin' dat you like girl you know
dat , know that(ooooooooh, don't be scared)
I just wanna get a lil time(time)
I ain't talkin' bout no watch(no watch)
Can't call you no dime,(dime)
'Coz i know you can't be bought (be bought)
I know you know you fine, i know you're sick and tired
Of all these n****s lyin', talkin' bout what they got
I keep it real a lotta women in my phone (yeah I do)

Imma be for real you're the only one i want (Girl it's you)
I ain't tellin' lies like Im tryna settle down (Imma honest man)
You prolly heard i get around
Chorus

Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em
Don't you be scared, don't matter what's your homegirl opinion
You grown make your own damn decisions
girl don't you be(don't you be, don't you be, don't you be)
girl don't you be(don't you be, don't you be, don't you be)
Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em (Don't be scared)
Rick Ross
Presidential sweets, and these foul blows
Live it up and leave doin' what you do
Hangin' on ea-ea-each in every moves
Detectives on my trail but don't have a clue
All I want is bad bad Mercedes Benz's and millions dat's on a air rich
Im ballin with my lil homies we smokin' lavish
Versace shirts I remember we didn't have this
How I look now, all gold spinners then then then 'em 44s
Stacking money taller than my ni**a shawty low
I'm dropping classics people nothing short on goin' gold
Don't be scared of me baby 'coz all I do is ball
Chorus
Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em
Don't you be scared, don't matter what's your homegirl opinion
You grown make your own damn decisions
girl don't you be(don't you be, don't you be, don't you be)
girl don't you be(don't you be, don't you be, don't you be)
Don't you be scared, girl don't you be scared of lovin' me
No matter what they say 'bout 'em 'bout 'em (Don't be scared)
No matter what say about 'em don't be scared
