Turntables

Ciara

Yeah,
Didn't thin you'd expect
This one right?
C Breezy
Excuse me Mr. DJ
You need to turn it up
This song is fire
I'm about to burn it up
You ready, I'm ready
Go right to the left
If you get tired
You fired
So stay on track
I'm a holla back

I'm too beautiful to be alone
Take me to a place
That only we know

Whats the deal bout
What ya looking for
Know what ya need
Baby come on

Be my DJ knight
Won't ya come n save my life
You turn me on (on)
Me on (on)
Me on (on)
But ya need a raw record
With something unexpected
To keep me going (going)
Me going (going)
Me going (going)

[Chorus:]

Turn the tables

Turn the tables on me
