

# Child in Time

## Gregorian

Sweet child in time, you'll see the line  
The line that's drawn between, the good and the bad  
See the blind man, he's shooting at the world  
The bullets flying and they're taking toll If you've been bad, Lord I bet you have  
And you've not been hit by flying lead  
You'd better close your eyes, you'd better bow your head  
Wait for the ricochet, yeah Sweet child in time, you'll see the line  
The line that's drawn between, the good of us and the bad of us  
See the blind man, shooting at the world  
The bullets flying they're killing everyone If you've been bad, Lord I bet you have been bad  
I bet you have been bad, you've not been hit by flying lead  
You'd better close your eyes, you better bow your head  
Wait for the ricochet, yeah  
I need [Incomprehensible]
