

Manic Star (feat. Marie Clair D'Ubaldo)

Conjure One

One day is one day less to live
I want you to be my sedative
Sometimes when I drive my car
I feel trapped like a bee inside a jar...Grains of sand is all we are
Crawling on our manic star
One tiny person in one shiny car
Spinning on our manic star...Time doesn't stand for anyone
It doesn't matter what you've done
I want to lose myself in you
Are you afraid of dying too ?...Grains of sand is all we are
Crawling on our manic star
One tiny person in one shiny car
Calling from our manic star...Let's love like there is no tomorrow
Shelter each other from the pain inside...Manic star x2 (repeat)Grains of sand is all we are
Crawling on our manic star
One tiny person in one shiny carDon't know how I got this scar
Crawling on our manic star
On a ride that leads so far
Hanging on our manic starSpinning on the manic starComing from a manic star...
