

# Where Is the Love?

Sonja Spence

Ooo, where is the love?

Ooo, where is the love?

Ooo, where is the love?

Where is the love that we once shared?

Where is the love?

Where is the happiness that we once knew?

Where is the love?

Where is the love?

Where is the love?

Where is the happiness?

Where is the love?

Days that we knew when we were so much in love

Where are they now?

Days when we walked hand in hand laughing together

Just where are they now?

Those days are gone. Those days of love

Those days are gone

Those days of love

Where is the love?

A-ha, where is the love?

Where is the happiness, peace and love?

Days that we spent together

Sharing the loveliness of life

Where are they now?

Many things we did together

We enjoyed so very much, but where are they now

Those days are gone

Those days of love

Those days are gone

Those days of love

Where is the love?

Mm-hmm, where is the love?

Where is the happiness, peace and love?

Where is the love?  
Sweet love, where is the love?  
Bring back us lovely days  
Where is the love?
