All That I Know

Winnipeg's Most

My baby want me at the game
But I tell her this is all that I know (All that I know)
I could a nine to five
But the hustle life is what I chose (What I chose)
My team need me on the streets
But my fam want me on the right road (On the right road)
And now that pressure building up got me feeling like I'm bout to explode
(Bout to explode)
Oh yeah, it don't feel like work
I'm an old DB to new dirt McGurt
I been at so long
My skins like leather
From the cold, my bones and heart aches together
I'm a soldier I represent that two percent
Every tattoo on my body proves who I am
I'm a Winnipeg boy, that's who I am
And my name more feared than the ghost's of dammed
I'm a monster (A monster)
A peg city vet
And the goonies, they soldiers
They ain't condenced
Go and put em' to the test
See you breathe the last breath
We last the last man standing
They the last one's left
Streets is dangerous
Life gets cold in the snow
I told myself "no more" but I can't let go
These streets is all that I know
These streets is all that I owe
And if this rap don't work playa
Guess where I'll go
My baby want me at the game
But I tell her this is all that I know (All that I know)
I could a nine to five
But the hustle life is what I chose (What I chose)
My team need me on the streets
But my fam want me on the right road (On the right road)
And now that pressure building up got me feeling like I'm bout to explode

(Bout to explode)
Every time I leave my house
My girl say that she worry
She say she plague my dreams
Of my casket being buried
But I movin' fast, Do the flury
Money comin' in a hurry
Plus I drinkin smoke (Kush)
Till my vision goin' blury
Game got a fun way of pullin' me back
Try to stay on the right side by makin' these tracks
Get away from the bad life by pushin' those pegs
But I'm addicted to fast life
I gotta get stacks
I got this stress on my mind
I can't even go to sleep
Paranoid of the boys in blue
They stay up on the creep
So even though I'm free
I can't run wild on the streets
Cause I'm livin' on paroll
My P.O is holdin' a leash
I'm just tryin' to get my money
Have my family livin' right
Make it through the dark till it's sunny
And walk into the light
It'll probably never happen but we doing alright
How you want me to lead the game
Baby this is my life
My baby want me at the game
But I tell her this is all that I know (All that I know)
I could a nine to five
But the hustle life is what I chose (What I chose)
My team need me on the streets
But my fam want me on the right road (On the right road)
And now that pressure building up got me feeling like I'm bout to explode
(Bout to explode)
Brooklyn sucks
