

Reasons

Declaim

Reasons why I love you, one
You light my day, you are my sun
Reasons why I love you, two
I cannot get enough of you
Reasons why I love you, three
I know that you'll be true to me
The reason I will stay with you
I know you'll love me too
The reason I will stay with you
I know that you'll love me too
Tere bina menoo chain nah aaveh, oh soniye
Reasons why I love you, four
You keep me coming back for more
Reasons why I love you, five
You make my world come alive
Reasons why I love you, six
I'm addicted, you're my fix
The reason I will stay with you
I know you love me too
The reason I will stay with you
I know that you love me too
Tere bina menoo chain nah aaveh, oh soniye
Reasons why I love you, seven
You are here and I'm in heaven
Reasons why I love you, eight
When it's good, you make it great
Reasons why I love you, nine
You turn my water into wine
The reason I will stay with you
I know you'll love me too
The reason I will stay with you
I know that you love me too
Tere bina menoo chain nah aaveh, oh soniye

Tere bina menoo chain nah aaveh, oh soniye

The reason I will stay with you

I know that you love me too

Tere bina menoo chain nah aaveh, oh soniye

Tere bina menoo chain nah aaveh, oh soniye
