Right Time

Nikki Lane

Anyday or night time is always the RIGHT TIME
Is always the right time to do the wrong thing
It's 2 am and you're sitting at the bar
Wondering if you should make your last call
Don't make, oh don't make my phone ring
'Cause you know what I'd say
Honey it's always the right time to do the wrong thing

Oh, we're strolling into your daddy's country club
That valet left the Shelby motor running,
Jump inside!
Oh, let's take it for a RIDE!
'Cause you know what I'd say
Honey, it's always the right time to do the wrong thing

Anyday or night time is always the RIGHT TIME
Is always the right time to do the wrong thing
If you're looking for a GOOD TIME
You and me we'll get on just fine
It's always the right time to do the wrong thing

Always burst, let's put out some smoke
I'm at his door asking for a talk
Hey, we're both out of love
Well, he'll tell you the same
Honey, it's always the right time to do the wrong thing

Anyday or night time is always the RIGHT TIME
Is always the right time to do the wrong thing
If you're looking for a GOOD TIME
You and me we'll get on just fine
It's always the right time to do the wrong thing
If you're looking for TROUBLE
Honey, I can show you how
My favorite time is right now

Anyday or night time is always the RIGHT TIME
Is always the right time to do the wrong thing
If you're looking for a GOOD TIME
You and me we'll get on just fine
