Losing It

Chad Dubz

all we ever did was move around
i was always the new kid
never the cool kid
all i ever wanted to do
was to fall in love
just to be in love
but my heart was racing
my mind was screaming
"you've got your whole life to do these things"
but my legs were shaking
my hands were searching
for her in the backseat of my car
i just lost it
and i can't believe it

i knew i was only 16
but i thought i loved her
and it'd last forever
only if i knew
that she wasn't true
how could she do this to me?
my heart was racing
my mind was screaming
"you've got your whole life to do these things"
but my legs were shaking
my hands were searching
for her in the backseat of my car
I just lost it
and i can't believe it
[oohhh....]
