Jackie Kennedy

Ola

Now where's my Jackie?
Now where's my Jackie?Precious cat, where you at?
Kiss me on my faithless lips, tie me
down, go blitz, baby
Precious cat, where you at?
Have I what it takes for this, take a shot
Don't miss, baby
Go ahead, go deep
I'm yours, to keep
I'm dead, ready
Think I could give that to you
B.A.B.E
I'm on my knee - yeaaaahNow where's my Jackie?
Where's my Jackie Kennedy, my
Jackie Keeee?
Now where's my Jackie?
Where's my Jackie Kennedy, my
Jackie Keeee?
Now where's my Jackie?Princess Grace - show yo face
I ain't doing well right here, too much
cake right here, baby
Princess grace - show yo face
Show me what it feels like to be
attached like glue, baby
Go ahead, go deep
I'm yours, to keep
I'm dead, ready
Think I could give that to you
B.A.B.E
I'm on my knee - yeaaaah
Now where's my Jackie?
Where's my Jackie Kennedy, my
Jackie Keeee?
Now where's my Jackie?
Where's my Jackie Kennedy, my
