

True to Myself

Ziggy Marley

Life has come a long way since yesterday, I say
And its not the same old thing over again, I say
Just do what you feel and don't you fool yourself, I say
'Cause I can't make you happy unless, I am I say I say IGot to be true to myself
Got to be true to myself
Got to be true to myself
Got to be true to myselfDay in day out I've asked many questions, I say
Only to find the truth it never changes, I say
If you don't deal with it it keeps killing you a little by little, I say
Call me selfish if you will my life I alone can live, I say I say IGot to be true to myself
Got to be true to myself
Got to be true to myself (in a way all)
Got to be true to myselfI don't care if it hurts
I'm tired of lies and all these games
I've reached a point in life no longer can I be this way
Don't come crying to me I too have shed my share of tears
I'm moving on yes I'm grooving on well I'm finally free I'veGot to be true to myself
Got to be true to myself
Got to be true to myself
Got to be true to myselfGot to be true
Got to be true
Got to be true to myself (in a way all)Got to be true
Got to be true
Got to be true to myself
