

# When the Stars Go Blue

**Blake Lewis**

Dancin' when the stars go blue  
Dancin' when the evening fell  
Dancin' in your wooden shoes  
In a wedding gownDancin' out on 7th Street  
Dancin' through the underground  
Dancin' with a marionette  
Are you happy now?Where do you go when you're lonely?  
Where do you go when you're blue?  
Where do you go when you're lonely?  
I'll follow you, when the stars go blue  
Stars go blue, stars go blue  
Stars go blueLaughing with your pretty mouth  
Laughing with your broken eyes  
Laughing with your lover's tongue  
In a lullaby
