

La Passion (Angelia in Festa)

Gigi d'Agostino

I gotta have the key
To open your heart to me
Now, I can set you free
Be what you wanna be
Don't wanna live alone
I gotta be so strong
Don't wanna be aloneBaby, I love you so
And never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you, Queen
Girl, have you ever seen?Ooh baby, come to me
Baby, just come to me
Don't brake my heart tonight
Swinging my soul desire
Baby, just come to me
Be what you wanna be
Using your fantasy
I need your soul to seeBaby, just come to me
Now, we can do it right
Holding each other tight
Now, we can make it right
I promise you delight
Waiting until day lightI gotta have the key
Open your heart to me
Now, I can set you free
Be what you wanna be
Don't wanna live alone
I gotta be so strong
Don't wanna be aloneBaby, I love you so
And never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace

Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen? Ooh baby, come to me
Baby, just come to me
Don't brake my heart tonight
Swinging my soul desire
Baby, just come to me
Be what you wanna be
Using your fantasy
I need your soul to see Baby, just come to me
Now, we can do it right
Holding each other tight
Now, we can make it right
I promise you delight
Waiting until day light I gotta have the key
Open your heart to me
Now, I can set you free
Be what you wanna be
Don't wanna live alone
I gotta be so strong
Don't wanna be alone Baby, I love you so
And never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen? Ooh baby, come to me
Baby, just come to me
Don't brake my heart tonight
Swinging my soul desire
Baby, just come to me
Be what you wanna be
Using your fantasy
I need your soul to see
Baby, just come to me I never think you wanna, we won't belong
I can see your face too strong
I sing you wanna think, you'll be wide on mind
Don't you ever satisfy my soul in any
By my side, I'm not laughing
I'm not crying, don't you go Baby, I love you so
And never let you go

I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen? Ooh baby, come to me
Baby, just come to me
Don't brake my heart tonight
Swinging my soul desire
Baby, just come to me
Be what you wanna be
Using your fantasy
I need your soul to see
Baby, just come to me I never think you wanna, we won't belong
I can see your face too strong
I sing you wanna think, you'll be wide on mind
Don't you ever satisfy my soul in any
By my side, I'm not laughing
I'm not crying, don't you go Baby, I love you so
And never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen? Ooh baby, come to me
Baby, just come to me
Don't brake my heart tonight
Swinging my soul desire
Baby, just come to me
Be what you wanna be
Using your fantasy
I need your soul to see
Baby, just come to me I never think you wanna, we won't belong
I can see your face too strong
I sing you wanna think, you'll be wide on mind
Don't you ever satisfy my soul in any
By my side, I'm not laughing
I'm not crying, don't you go Baby, I love you so
And never let you go
I'm looking for your face

Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen?
Ooh baby, come to me, to me, to me I never think you wanna, we won't belong
I can see your face too strong
I sing you wanna think, you'll be wide on mind
Don't you ever satisfy my soul in any
By my side, I'm not laughing
I'm not crying, don't you go Baby, I love you so
And never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me, what's going on
Tell me, what's going on
I'm gonna make you Queen
Girl, have you ever seen? Ooh baby, come to me
