

Looking

Saro

What you're looking for
What you're looking for
Hope you find
What you're looking for
What you're looking for Have you changed?
Amateur
reassured by a word you wouldn't dare to say
Inhumane
You pretend to no end that one day it will find you
What you're looking for
What you're looking for
Hope you find
What you're looking for
What you're looking for Love is pain
Solemnly I believed
You and me would make it to the grave
Lost your way
Still I show no restraint
Seal my eyes and I'll find you
What you're looking for
What you're looking for
Hope you find
What you're looking for
What you're looking for Wanderer be on your way
There's nothing left or left to say
