

I Don't Give A Fuck

Buckcherry

I don't give a fuck
Uh-huh uh-huh uh-huh
I don't give a fuck
Uh-huh uh-huh uh-huh Caught up in his own traditions
My momma tried to raise me right (alright)
Some way gotta find my mission
To be everything but wrong or right I never waste my time on vision
You'll be fucked if you believe it's right
And I don't stand around just wishin'
I'll be damned if I don't see the light I don't give a fuck
Uh-huh uh-huh, fuck
I don't give a fuck
Uh-huh uh-huh, fuck The more you talk the less I listen
If you slip you'll have to pay the price
I see you're making bad decisions
A sucker only makes them twice I don't give a fuck
Uh-huh uh-huh, fuck
I don't give a fuck
Uh-huh uh-huh, fuck Standin' on the front line
Gotta get some time Help me! I'm satisfied with my condition
If it's good you know it must be right (that's right)
You gotta make your own decisions
'Cause you know this shit is out of sight I don't give a fuck
Uh-huh uh-huh, fuck
I don't give a fuck
Uh-huh uh-huh, fuck (Oh fuck) I don't give a fuck
Uh-huh uh-huh, fuck
I don't give a fuck
Uh-huh uh-huh, fuck
