

# Can't Keep It In

Cat Stevens

Oh, I can't keep it in  
I can't keep it in, I've gotta let it out  
I've got to show the world, world's got to see  
See all the love, love that's in me I said, why walk alone?  
Why worry when it's warm over here?  
You've got so much to say, say what you mean  
Mean what you're thinking, think anything Oh why, why must you waste your life away?  
You've got to live for today, then let it go, oh  
Lover, I want to spend this time with you  
There's nothing I wouldn't do, if you let me know And I can't keep it in  
I can't hide it and I can't lock it away  
I'm up for your love, love heats my blood  
Blood spins my head, and my head falls in love No, I can't keep it in  
I can't keep it in, I've gotta let it out  
I've gotta show the world, world's got to know  
Know of the love, love that lies low So why can't you say?  
If you know, then why can't you say?  
You've got too much deceit, deceit kills the light  
Light has to shine, I said shine light, shine light Love, that's no way to live your life  
You allow too much to go by, and that won't do, no  
Lover, I want to have you here by my side  
Now don't you run, don't you hide, while I'm with you An' I can't keep it in  
I can't keep it in, I've gotta let it out  
I've got to show the world, world's got to see  
See all the love, love that's in me I said, why walk alone?  
Now why worry when it's warm over here?  
You've got so much to say, say what you mean  
Mean what you're thinking, think anything, why not?  
Now, why, why, why not?
