Try Me

Ufo

Tell me why we're never more than strangers
Tell me why you never let it show
But when you're close to me
And whisper, "I need you"
In the cold mornin' lightTry me, oh take me for a little while
Before it's over and you leave me with just a smile
Try me, oh let me be the one
You say it's over but for me it had just begunTell me why we seem no more than strangers
Tell me why the feelin' never goes
But when you're close to me
Whisper, "I need you"
In the cold mornin' lightTry me, oh take me for a little while
Before it's over and you leave me with just a smile
Try me, oh let me be the one
You say it's over but for me it had just begun
