

# The Good Life

**Bruce Hornsby**

I'm gonna buy a big red truck  
Then a rabbit's foot for real good luck  
Gonna get me some plastic gunga dins  
And I'll buy a big house to put em all in I'll buy a new suit when I'm feelin' down  
Picks me up and Ill show it around  
I'll wear it once or twice I'm sure  
Then Ill get another when feelin' the urge I'm living the good life  
I got my beautiful things so high as a kite  
Living the good life  
I'm flying by so high in the sky I'll buy the special meal with the prize  
And toys with the motorized blinkin' eyes  
And lunch and dinner there I'll be  
My favorite character eluding me There's a sale down at the Five And Dime  
And everything's going for dirt this time  
I don't need this but it's so cheap  
The visions of a bargain in my sleep I'm living the good life  
I got my beautiful things so high as a kite  
Living the good life  
I'm flying by so high in the sky Living the good life  
I got my beautiful things so high as a kite  
I'm living the good life  
I'm flying by so high in the sky These wonderful lives everywhere  
A house full of things but I don't care  
I wonder as I'm sitting there  
Maybe I'll feel better in a brand new chair I'm living a good life  
I got my beautiful things so high as a kite  
Living a good life  
I'm flying by so high in the sky Living the good life  
I got my beautiful things so high as a kite  
I'm living the good life  
I'm flying by so high in the sky I'm living a good life  
Ive got my beautiful things so high as a kite  
Living a good life  
I'm flying by so high as a kite  
High as the sky
