

Oh, What A Night For Dancing

Barry White

Oh, we're goin' out tonight, finger poppin'
You look outta sight, won't be no stoppin'
 All the discotheques better be ready
We're gonna hit em hard, hard and heavy
Party strong, all night long, just you, girl, and me
 You're my million dollar baby
 My pretty sexy lady, oh
 Oh, what a night for dancing
 Oh, what a night for romancing
We're, we're gonna laugh and dance half the night away
 We're gonna scream and shout while the music plays
 Then around about two, tell you what I'm gonna do
Girl, I'm gonna take you home and stick plenty love to you
 Let's get it on all night long, just you, girl, and me
 You're my million dollar baby
 My pretty sexy lady, oh
 Oh, what a night, what a night for dancing
 What a night, yeah, for romancing
 Oh, oh, what a night, what a night for dancing
 What a night, oh, what a night, for romancing
 Oh, what a night, what a night for dancing
 Oh, what a night, what a night for romancing
 You're my million dollar baby
 You're my pretty sexy lady
 Oh, oh, what a night, what a night
 What a night for dancing
Ooh, what a night, yeah, for romancing, ooh baby
