

Oh, What A Night For Dancing

Barry White

Oh, we're goin' out tonight, finger poppin'
You look outta sight, won't be no stoppin'
All the discotheques better be ready
We're gonna hit em hard, hard and heavy
Party strong, all night long, just you, girl, and me
You're my million dollar baby
My pretty sexy lady, oh
Oh, what a night for dancing
Oh, what a night for romancing
We're, we're gonna laugh and dance half the night away
We're gonna scream and shout while the music plays
Then around about two, tell you what I'm gonna do
Girl, I'm gonna take you home and stick plenty love to you
Let's get it on all night long, just you, girl, and me
You're my million dollar baby
My pretty sexy lady, oh
Oh, what a night, what a night for dancing
What a night, yeah, for romancing
Oh, oh, what a night, what a night for dancing
What a night, oh, what a night, for romancing
Oh, what a night, what a night for dancing
Oh, what a night, what a night for romancing
You're my million dollar baby
You're my pretty sexy lady
Oh, oh, what a night, what a night
What a night for dancing
Ooh, what a night, yeah, for romancing, ooh baby
