Turning Page

Sleeping at Last

I've waited a hundred years
But I'd wait a million more for you
Nothing prepared me for
What the privilege of being yours would doIf I had only felt the warmth within your touch
If I had only seen how you smile when you blush
Or how you curl your lip when you concentrate enough
Well I would have known
What I was living for all along
What I've been living forYour love is my turning page
Where only the sweetest words remain
Every kiss is a cursive line
Every touch is a redefining phraseI surrender who I've been for who you are
For nothing makes me stronger than your fragile heart
If I had only felt how it feels to be yours
Well I would have known
What I've been living for all along
What I've been living forThough we're tethered to the story we must tell
When I saw you, well I knew we'd tell it well
With a whisper we will tame the vicious seas
Like a feather bringing kingdoms to their knees
