

# What to Do

## Buddy Holly

What to do now that she doesn't want me  
That's what haunts me, what to do? What to do to keep from feeling lonely  
Want her only, what to do? The record hops and all the happy times we had  
The soda shop, the walks to school now make me sad, oh What to do I know my heartache showin'  
Still not knowin', what to do? The record hops and all the happy times we had  
The soda shop, the walks to school now make me sad, oh What to do I know my heartache showin'  
Still not knowin', what to do?
