HOOK IT UP (DIRTY)

R. Kelly

She look what?
She look good, she bad as a motherfucka
She look good?
Yeah
I mean hows her heart? Hows her head? Her mind right?
Her brain right-shit
L-look, listen nigga

Tell your girl if she got a bad motherfucka that look like her, act like her
Shit nigga you already know what to doTell your girl to hook it up
Tell your girl to hook it up[Chorus:]
[R. Kelly]
If she got a friend homie, tell your girl to hook it up
If she got a cousin homie, tell your girl to hook it up
If she got a sister homie, tell your girl to hook it up
If she look like her, act like her, partner let me hook it up[R. Kelly]
If she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner let me hook it upHomie you spite, and your girl-she a dime piece
Nigga now I know why you ain't be hangin' 'round me
The way she look I'd do the same, spend that time, play that game
Id like to say if I like that up, if I was you id knock that up
Open the door for her man, pull out her chair
She may not know it but there's wifee right there
Worth spending that money, lookin' fresh as a freezer
Sexy, good girl, pretty and as sweet as can be
You could take her straight home to mama, even to meet your pops
She don't come with no drama, damn you luck bastard[Chorus]YeahIf she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she lookin' for that real love, tell your girl to hook it up (Kellz I got yeah homie)
If she look like her, act like her, partner let me hook it up[Huey]
Its your boy HueyKellz I see you pimpin' in the club with the baddest chick
If she got a partner, tell her she should get with this
A well known money makin' H-U-E-YHuey be the man to give some real love, you know that playa be I
The type that would take her out the hood
Make sure her hair and her nails look good
500 benz you can break a lil' wood

If she was my girl, I'm a do what I could
As long as you understand its 50-50
You do for me, I do for you
You shoot for me and I'd shoot for you
You be sweet to me and I'm sweet to you
You may think I'm lyin' but it's the truth
Cause I ain't gotta lie to kick it
Its easy for me to be pimpin'
But I'm a gonna make you my mistress
To avoid the life, lookin' rough
Head and attitude, all messed up
All ya gotta do is holler at Kellz
And tell him done hook it up[Chorus]If she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner let me hook it up[R. Kelly]
If she like real playas and don't fuck with no haters
Wanna get with a real balla that's makin' that real paper
If she want a good life shop, hop out fancy cars
Award shows, party mingle with all the stars
Now if she understand that I am her blaming man
And when comes to sellin' out shes my sold out crowd
And if shes not the type that got a lot foreplay
Then tell your girl to holler at her future boyfriend[Chorus]If she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner let me hook it upHuey
Kellz my nigga
Yeah
We in the club see that exercise girl
We in the club see that exercise girl
Walk it out
