

# Crazy Over (You)

**Barclay James Harvest**

The day, the night, to me are just the same  
I see your face, it burns me like a flame  
And there's something I've got to say  
Yes it's making me feel this way  
Don't you know that I'm going crazy over you One look, a smile, is all you've got to do  
I see your face in everything I do  
And there's something I've got to say  
Yes it's making me feel this way  
Don't you know that I'm going crazy over you
