Limousine

Class Actress

wouldn't it be, wouldn't it be nice to let go?
nothing i can do about it
you won't let me in or let go
all you do is talk about it
all you do is say no
i don't know if i can wait it out
are you trying to break me in or break out?riding in the back of a limousine
take me down on hotel sheets
oh say you will, you better say you willriding in the back of a limousine
take me down on hotel sheets
oh say you will, you better say you willhush hush, hush now baby
better close your eyes
nothing i can do about it
you won't let me in or let go
all you do is talk about it
all you do is say no
i don't know if i can wait it out
are you trying to break me in or break out?i know, i know
heartbreak, you're waiting for me
i know, i know
heartbreak, but it's right there for meriding in the back of a limousine
take me down on hotel sheets
oh say you will, you better say you willriding in the back of a limousine
take me down on hotel sheets
oh say you will, you better say you will
hush hush, hush now baby
better close your eyeshush hush, hush now baby
better wait for mewon't recognize to let go
