

That's The Story Of My Life

The Velvet Underground

That's the story of my life
That's the difference between wrong and right
But Billy said, "That both those worlds are dead"
That's the story of my life
That's the story of my life
That's the difference between wrong and right
But Billy said, "That both those worlds are dead"

That's the story of my life
That's the story of my life
That's the difference between wrong and right
But Billy said, "That both those worlds are dead"
That's the story of my life
