

# Thinking Out Loud

Dylan Scott

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love  
Will your eyes still smile from your cheeks  
Darlin I, will be lovin' you  
Till we're seventy  
And baby my heart  
Could still feel as hard at twenty three  
And I'm thinking about how  
People fall in love in mysterious ways  
Maybe just the touch of a hand  
Well me I fall in love with you every single day  
And I just wanna tell you I am So honey now  
Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud  
Maybe we found love  
Right where we are When my hairs all but gone  
And my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way  
I know you will still love me the same Cos honey your soul  
Could never grow old  
It's evergreen  
And baby your smiles  
Forever in my mind and memory  
I'm thinking about how  
People fall in love in mysterious ways  
And maybe it's all part of a plan  
I'll just keep on making the same mistakes  
Hoping that you'll understand  
That baby now  
Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
Thinking out loud  
Baby we found love  
Right where we are Baby now

Take me into your lovin' arms  
Kiss me under the light of a thousand stars  
Oh darling  
Place your head on my beating heart  
Thinking out loud  
Baby we found love right where we are  
Babe we found love right where we are
