Full Metal Bree

Buck-O-Nine

maybe you would like me better
if i had a bank account
and an argyle sweater
ive listened to you talk
you say your life is a bore
first you got your silver spoon
and now you want moreim the kind of guy
who takes life as it goes
on numerous occasions
ill be pickin my nose
i sometimes take a bath
but try not to over do it
i dont like to read books
and when i do i just flip thru itim not a vegetarian
i like to eat red meat
i seldom wear a shirt and tie
or shoes on my feet
i know i dont have money
and my bank account is low
and when i take a girlie out
its taco bell we go
