## Buck-O-Nine

maybe you would like me better  
if i had a bank account  
and an argyle sweater  
ive listened to you talk  
you say your life is a bore  
first you got your silver spoon  
and now you want moreim the kind of guy  
who takes life as it goes  
on numerous occasions  
ill be pickin my nose  
i sometimes take a bath  
but try not to over do it  
i dont like to read books  
and when i do i just flip thru itim not a vegetarian  
i like to eat red meat  
i seldom wear a shirt and tie  
or shoes on my feet  
i know i dont have money  
and my bank account is low  
and when i take a girlie out  
its taco bell we go
