# Plaster Caster

## Kiss

Baby's getting anxious, the hour's getting you late
The night is almost over, she can't wait
Oh, things are complicating, my love is in her hands
And there's no more waiting, she understandsThe plaster's gettin' harder
And my love is perfection
A token of my love for her collection
Her collectionPlaster caster, grab a hold of me faster
And if you wanna see my love, just ask her
And my love is the plaster and yeah she's the collector
She wants me all the time to inject herThe plaster's gettin' harder
And my love is perfection
A token of my love for her collectionPlaster caster, plaster caster
Grab a hold of me faster, plaster, faster
And if you wanna see my love, just ask her, ask her
Go on, ask herMy plaster's gettin' harder
And my love is perfection
A token of my love for her collection
Her collectionPlaster caster, plaster caster
Grab a hold of me faster, plaster, faster
If you wanna see my love, just ask her, ask herPlaster caster, plaster caster
She wants my love to last her, last her, last her
And she calls me by the name of master, masterPlaster caster, plaster caster
Grab a hold of me faster, plaster, faster
If you wanna see my love, just ask her, ask herPlaster caster, plaster caster
Grab a hold of me faster, plaster, faster
And if you wanna see my love, just ask her, ask her
