

# Pause The Tragic Ending

Rachael Yamagata

Draw me under  
Cut me open  
Take my heart  
I give it to you  
Hear the thunder  
Hold me close  
I beg of you And pause the tragic ending  
For just a moment more  
Draw the dresser out  
And slide it to the door Take the air out of the room  
Close the curtain  
And kill the lights Only seconds  
Left to tell you  
How I need you  
Every night Pause the tragic ending  
For I'm almost out of breath  
Whisper in my ear  
Take a bite out of my neck I'd give you blood if that's what you need  
To stay with me  
You'll be free  
And I will die Sing a song  
For they all want to see  
How it ends  
Bring her along  
She can stitch you as you mend  
Bury me deep  
Lest I travel you again The tragic ending  
Never ends Do you love me?  
You love me  
I can feel it in my bones In dreams you are swimming  
Swimming naked out Take the bottle  
Out to sea  
Back for good  
You hurt her dear  
Get a,  
It chases me  
I don't know that I am here In this tragic ending  
Where we've all those things to say  
Wash the sheets

And clear your head  
You'll be OKBury me deep down  
In every song you playThe tragic ending  
The tragic ending  
The tragic ending  
Saves the day
