Rain

The Wreckers

You'd never give up
I can't believe anything you say
And it must be my luck
'Cause no one else gets treated this way

And I wanna know
What goes on in that head of yours
Yeah I wanna know
'Cause I don't think I can take much more

[Chorus]
Rain
You must be sick or something
I can't take another day
Rain
is falling down
but will the sun come out again

I never speak up
I just tried to stay out of the way
And I must have messed up
'cause that's all that I hear you say

And I wanna know
What on earth makes you act like this
Yeah I wanna know
'Cause I don't think I can take this shit

[Chorus]

sun come out
sun come out

[Chorus]

Rain
You must be sick or something
Rain
rain, rain, rain

is falling down
but will the sun come out again
