

# Not What You Want

## Cat Power

I am not what you want  
There's no telling how long  
I am not what you want  
There's no telling how long I'll be here  
I am not what you want  
I am not what you want  
I am not what you want  
There's no telling how long  
I've checked  
I've checked to find  
I've checked  
I've checked to find  
I am not for you one  
There's no telling how long  
Go, figure that out  
Figure that out  
I am not what you want  
I am not what you want  
I am not what you want  
I am not what you want  
I am not what you want  
I am not what you want  
I've checked  
I've checked to find  
I am not what you want  
I am not what you want  
I am not what you want  
I am not what you want  
I am not what you want  
There's no telling how long I'll be here  
I am not what you want  
There's no eyes in your own head  
I'll check  
I'll check tonight  
I am not what you want  
There's no telling how long I'll be here  
I am not what you want  
There's no eyes in your head, in your head  
At least I cannot see them

In your head  
I'm not what you want  
I'll get nothing, nothing, nothing tonight  
I'm not what you want  
There's no telling how long I'll be here  
Be here  
At least I cannot see them
