Lullaby

Nickelback

Advisory - the following lyrics contain explicit language:

I know the feeling
Of finding yourself stuck out on the ledge
And there ain't no healing
From cuttin' yourself with the jagged edge
I'm tellin' you that it's never that bad
And take it from someone who's been where your at
You're laid out on the floor and you're not sure
You can take this anymoreSo just give it one more try
With a lullaby
And turn this up on the radio
If you can hear me now
I'm reachin' out to let you know
That you're not aloneAnd you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Well honey here comes a lullaby
Your very own lullaby
Please let me take you
Out of the darkness and into the light
'Cause I have faith in you
That you're gonna make it through another night
Stop thinkin' about the easy way out
There's no need to go and blow the candle out
Because you're not done, you're far too young
And the best is yet to comeSo just give it one more try
With a lullaby
And turn this up on the radio
If you can hear me now
I'm reachin' out to let you know
That you're not aloneAnd you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes

Well honey here comes a lullaby
Your very own lullabyWell everybody's hit the bottom
And everybody's been forgotten
Well everybody's tired of being alone
Yeah everybody's been abandoned
And left a little empty handed
So if you're out there barely hangin', onJust give it one more try
With a lullaby
And turn this up on the radio
If you can hear me now
I'm reachin' out to let you know
That you're not aloneAnd you can't tell, I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Well honey here comes a lullaby
Your very own lullaby
Well honey here comes a lullaby
Your very own lullaby
