

Gotta Get to Know You

Foghat

I've made up my mind and here's my decision
I'd like to share with you
All of my secrets of my religion
I want you to see, oh, how sweet I could be Oh, I just got to get to know you
I just got to get to know you You've got what it takes, whoa there's no denyin'
I see in you a dream come true
Lord, you're life to the dying
I want you to see, oh, how sweet I could be Oh, I just got to get to know you
I just got to get to know you In my life there's an empty slot
Oh, now I believe you can fill that spot I just got to get to know you
I just got to get to know you Blessed are the days I spent with you
Realizin' precious moments we never knew
Right now I'm just imagining this thing
But would you believe the joy it brings I just got to get to know you
I just got to get to know you I'm gonna get you and hold you tight
I want to hold you baby, in the middle of the night
Because I need, I need you baby, I need, I need you by my side
I need, I need, I need you to keep me satisfied Gonna hold you, I'm gonna to squeeze
I'm going to love you
I've made, I've made up my mind
I said I've made, I've made up my mind You got it, you got what it takes
You got, you got what it takes
I see, I see in you a dream
I see, a dream come true
